Organization Narrative

With offices in Washington, DC and New York City, Caplin & Drysdale prides itself on staying lean and maintaining a laser-like focus. Caplin remains a nimble, boutique firm in an era when other law firms try to provide all services to all clients. We are not only proud of the high level of technical skills our lawyers bring to resolving client matters, but also of the firm's enduring collegial environment. An associate commented, "C&D's values of excellence, scholarship, community, and family are, in fact, expressed on a daily basis by the Members, associates and support staff."

Caplin & Drysdale is recognized as one of the nation's top tax practices. National and international rankings list Caplin & Drysdale's tax practice along side those of firms 10 and 20 times Caplin's size. The firm's lawyers are often quoted in leading industry publications such as Tax Notes Today, The Wall Street Journal, The Economist, and Bloomberg BNA. Although the firm only has two offices, it has a global footprint. Caplin attorneys speak as experts – "lawyers' lawyers" – at conferences worldwide.

Caplin & Drysdale, which celebrated its 50th anniversary in 2014, was founded by Mortimer Caplin, former commissioner of the Internal Revenue Service under Presidents Kennedy and Johnson. He also once graced the cover of Time Magazine in an issue dedicated to taxation. The firm's co-founder, Douglas Drysdale, had been a student of Caplin's at the University of Virginia School of Law and he himself went on to teach tax law at the school for more than 20 years. Starting with only six lawyers, Caplin & Drysdale has grown purposefully and now boasts a team of 65 lawyers. The tax practice encompasses tax planning, tax

controversies, tax-exempt organizations, employee benefits, estate planning, and criminal tax defense work.

In addition to its tax-oriented practices, we are home to a vigorous and accomplished litigation practice centered on insolvencies, corporate reorganizations in bankruptcy, and other complex financial and commercial disputes, including matters that cross national boundaries. Caplin & Drysdale also boasts a national political law practice that provides businesses, trade associations, nonprofits, candidates, and activists with timely, concise counsel on the high-stakes legal issues that involve "pay-to-play" restrictions, lobbying regulations, campaign finance laws, and ethics rules. Much like our tax attorneys, the litigators and political law attorneys are highly ranked in Chambers USA, Best Lawyers, and other top rankings.
